

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides products, solutions and services to ensure efficiency and increase the productivity within residential, industrial and commercial surroundings. They pride themselves in delivering products to be able to enhance the security, health, safety and comfort of people around the globe all through their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting advanced controls, services and parts support used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to improve energy efficiency, productivity and operations for their customers. The range of products in their line include: pumps and tools, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the international leader in utility and golf vehicles meant for individuals and companies.

Brand names like for instance Trane and Schlage deliver residential solutions which provide efficiency, comfort and safety to home owners across North America. Their innovative products include mechanical and electronic locks, indoor air quality solutions, air conditioning and heating systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies offers products which ensure secure, safe and productive environments. This division's market leading products include floor and door closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Popular brand names such as Schlage also provide attendance, personal and time scheduling systems.
