

Lull Telehandler Parts

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement precision ever since nineteen fifty nine. The Lull telehandler could really help make the work faster and easier, whether the job entails transferring loads, positioning heavy steel or landing loads on scaffoldings. These units are available with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The horizontal placement system by Lull could supply 80 inches of boom travel for precision placement capabilities. There are also a lot of optional Lull accessories for their telehandlers so as to help do whatever task.
