

## Axle Tech Part

Axle Tech Parts - The business of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for technology, delivery, quality and service. They believe in working within an environment which encourages the highest integrity with empowered teamwork, along with a persistent pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The company has put various programs in place so as to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whatever questions or comments, since they are glad to promote and share this policy with a greater knowledge of their efforts. They are very devoted to preserving and improving the surroundings. AxleTech has an EHS program which not only protects the natural environment but which also actively protects their staff and neighbors too.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in designing and manufacturing planetary axles for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech specially designs axles so as to meet certain application demands. They have over 1000 various axle specs in their existing offering. With over one hundred years of history and knowledge, AxleTech proudly supplies the most complete solution for any of your axle requirements. The business is well known in various commercial and military applications. They offer complete axle assemblies for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details that can be seen in the "ISAS" product collection.
