

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering new design concepts and top quality so as to meet the diverse needs of their clients.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They like providing products that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills along with their comprehension of cleaning applications, together with owners' strong desire to considerably lower expense through productivity gains.

The employees at TREK and their dealer-partners are strongly committed to having both parts and technical support available when it is needed. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machinery running and ready day after day is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
