

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known in the business as strong and durable equipment which meets all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln can provide parts, warranty service and machines for these scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency make a difference. Recently, this particular floor scrubber model has been requested by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
